Put tournament name here.

Use Above Name for Column Name on National Average Sheet. (Keep it short.)

Be sure to have the tournament name correct Before you do the SAVE.

You can do the Sort any time once you have data entered.

Press the Save once all the games are finished and the Tournament Name is correct.

The Save button takes the month Figures and copies them to a new sheet with Name at "D2", the previous sheet of that name is deleted. Then the National Average Sheet is updated
